

ODP Announcement

Waiver and LifeCourse Training Available for People with Disabilities and Families

ODP Communication Number: Announcement 020-18

The mission of the Office of Developmental Programs is to support Pennsylvanians with developmental disabilities to achieve greater independence, choice and opportunity in their lives.

PURPOSE: To announce the availability of waiver and LifeCourse training for people and families and to provide registration information.

DISCUSSION:

The Charting the LifeCourse Framework was created by families to help individuals and families of all abilities and all ages develop a vision for a good life, think about what they need to know and do, identify how to find or develop supports, and discover what it takes to live the lives they want to live.

These sessions will provide an overview of the recent changes to waiver services and will help participants understand how these supports can help people and families achieve their visions of Everyday Lives in the community. During this training, participants will have the opportunity to learn about the waiver changes, ask questions, and practice using the LifeCourse tools and resources.

Registration will begin 30 minutes before the start time for each session. No meals or refreshments will be provided. Please feel free to bring your own refreshments with you.

Pre-registration is required. If you have any questions or would like to register for a session, call Jeff Wheeler at 1-800-446-5607 ext. 6881 or 412-826-6881 or email him at jwheeler@pattan.net.
