## Creating a Vision for Life After High School

What happens when the bus stops coming? Are you ready? Do you need a Vision and Plan? The LifeCourse Framework and Tools can help students and families to:

- Develop a vision for a *Good Life*;
- Think about all the important Life Domains;
- Address questions and concerns specific to Transition Age;
- And integrate supports from a variety of resources.

Join us for a hands on and interactive workshop to create your vision and a plan for a *Good Life* after High School.
