

Everyone
Deserves to Live
a Life of Meaning.

Sharing Hope

Let Hope Springs Farm
"Growers" personally deliver
your charitable donation.

If you already make donations to local charities, consider making those donations through us. By **Sharing** your gift through us, you can double the impact your gift makes on our local community. You help a local charity, and you have given our Growers a full day of meaningful activities that make them feel valued by the community.

— *That is the Hope we have for all our Growers!*

"We Love this kind of volunteer work!"

Here's How it Works:

1. Pick Your Charity for Donation
2. Give donation/wish list info. to HSF on website or by calling.
3. HSF Growers buy supplies & materials needed from wish list
4. HSF Growers deliver donation on your behalf!
